### "Love Is A Rose"

Love is a rose  
But you'd better not pick it  
It only grows  
When it's on the vine

Handful of thorns  
And you'll know you missed it  
You lose your love  
When you say the word 'mine'

I want to see what's never been seen  
I want to live that age old dream  
Come on, lass, we can go together  
Let's take the best right now

I want to go to an old hoedown  
Long ago in a Western town  
Pick me up if my feet are draggin'  
Give me a lift and I'll hay your waggon

Love is rose
