Late one night I was walking in the valley of hearts.  
A spirit came to me and said: "You gotta move to start".

"You gotta take the first step".

"You gotta grow to be tall".

And then she me told something, something that I'll never forget.

[Chorus]

You got love to burn.

You better take your chance on love.

You got let your card down

You better take chance, a chance on love (on love)

Take chance on love (on love)

On love

On love

In a valley of hearts there's a house full of broken windows

And the lovers inside just quarrel all the time

"Why'd you ruin my life?" "Where you takin' my kid?"

And they hold each other saying: "How did it come to to this?"

[Chorus]

(repeat first verse)
