Oh mother earth,
With your fields of green
Once more laid down by the hungry hand
How long can you give and not receive
And feed this world ruled by greed
And feed this world ruled by greed

Oh ball of fire in the summer sky
Your healing light
Your parade of days
Are they betrayed by the men of power
Who hold this world in their changing hand
They hold the world in their changing hands

Oh freedom land
Can you let this go
Down to the streets
Where the numbers grow
Respect mother earth
And her giving ways
Or trade away our children's days
Or trade away our children's days

Respect mother earth
And her healing ways
Or trade away our children's days
