Motion pictures on my TV screen, a home away from  
home, livin' in between;  
But I hear some people have got their dream.  
I've got mine.  
I hear the mountains are doin' fine, mornin' glory is on  
the vine,  
And the dew is fallin', the ducks are callin'.  
Yes, I've got mine.

Well, all those people, they think they got it made;  
But I wouldn't buy, sell, borrow or trade  
Anything I have to be like one of them.  
I'd rather start all over again.

Well, all those headlines, they just bore me now;  
I'm deep inside myself, but I'll get out somehow,  
And I'll stand before you, and I'll bring a smile to your  
eyes.  
Motion pictures, motion pictures.
