Why are you growin' up so fast  
My boy?  
Oh, you'd better take your time  
Why are you growin' up so fast  
My son

Almost time to live your dream  
My boy  
Oh, you'd better take your time  
Almost time to make some plans  
My son

Vacation gone school is out  
Summer ends year in year out

Oh, you'd better take your time  
My boy  
I thought we had just begun  
Why are you growin' up so fast  
My son

Vacation gone school is out  
Summer ends year in year out

Why are you growin' up so fast  
My boy?  
Why are you growin' up so fast  
My son
