One of these days
I'm going to sit down and write a long letter
To all the good friends
I've known
And I'm going to try
To thank them all for the good times together
Though so apart
We've grown

One of these days
I'm going to sit down and write a long letter
To all the good friend I've known
One of these days
One of these days
One of these days
And it won't be long
It won't be long

And I'm gonna thank
That old country fiddler
And all those ruff boys
Who play that rock and roll
I never tried
To burn any bridges
Though I know I let some
Good things go

One of these days
I'm going to sit down and write a long letter
To all the good friends I've known
One of these days
One of these days
One of these days
And it won't be long
It won't be long

From down in L.A.
All the way to Nashville
New York City
To my Canadian prairie home
My friends are scattered

Like leaves from an old maple
Some are weak
Some are strong

One of these days
I'm going to sit down and write a long letter
To all the good friends I've known
One of these days
One of these days
One of these days
And it won't be long
It won't be long

One of these days
One of these days
One of these days
And it won't be long
It won't be long
