~~~~~

When you were young and on your own  
How did it feel to be alone?  
I was always thinking  
of games the I was playing.  
Trying to make the best of my time.

But only love can break your heart  
Try to be sure right from the start  
Yes only love can break your heart  
What if your world should fall apart?

I have a friend I've never seen  
He hides his head inside a dream  
Someone should call him and see  
If he can come out.  
Try to lose the down that he's found.
