I need a unit to sample and hold
But not the angry one
A new design new design

I need a unit to sample and hold

But not the lonely one
A new design new design

We know you'll be happy

Don't hesitate to give us a call
We know you'll be satisfied

And see your unit come alive
We know you'll be happy
I need a unit to sample and hold

I need a unit to sample and hold
But not the lonely one, lonely one, lonely one

Perfection in every detail
Fabricated from the curl of the hair
To the tip of the nail

Because our units never fail
We know you'll be happy
I need a unit to sample and hold

Don't hesitate to give us a call
We know you'll be satisfied
When you energize
And see your unit come alive
We know you'll be happy
We know you'll be happy
We know you'll be happy
We know you'll be happy

But not the lonely one
A new design, new design

Sample and hold
New design, new design
Sample and hold

I need a unit to sample and hold
But not the angry one
A new design, new design
I need a unit to sample and hold
But not the jealous one
A new design, new design
New design, new design

Perfection in every detail
New design, new design
Perfection in every detail
New design, new design
Perfection in every detail
New design, new design Sample and hold Sample and
hold Sample and hold
