Tonight's the night
Tonight's the night

Tonight's the night
Tonight's the night

Tonight's the night
Tonight's the night

Tonight's the night
Tonight's the night

Bruce Berry was a working man
He used to load that Econoline van
A sparkle was in his eye
But his life was in his hands
Well, late at night
When the people were gone
He used to pick up my guitar
And sing a song in a shaky voice
That was real as the day was long

Tonight's the night (yes it is)
Tonight's the night

Tonight's the night (yes it is)
Tonight's the night

Early in the morning at the break of day
He used to sleep until the afternoon
If you never heard him sing
I guess you'll want to soon
'Cause people let me tell you
It sent a chill up and down my spine
When I pick up the telephone
And heard that he'd died
Out on the mainline.

Tonight's the night
Tonight's the night

Tonight's the night
Tonight's the night

Bruce Berry was a working man
He used to load that Econoline van
Well, early in the morning at the break of day
He used to sleep until the afternoon.

Tonight's the night (yes it is)
Tonight's the night

Tonight's the night
Tonight's the night

Tonight's the night
Tonight's the night Tonight's the night Tonight's the
night
