"Too Far Gone"

When I woke up you were gone
and the sun was on the lawn
Empty pillow with perfume on
I smelled it

Well we met in my favorite bar
Took a ride in my old car
But I still don't know how
We made it home

CHORUS
Was I too far gone
Too far gone
Too far gone
For you

We had drugs and we had booze
But we still had something to lose
and by dawn I wanted
To marry you

With our attitudes by day
And our secret dreams by night
Can we really live our lives
That way

CHORUS
