Transformer man

You run the show
Remote control
Direct the action with a push of a button
You're a transformer man
Power in your hand
Transformer man

Transformer man
Transformer man

Sooner or later you'll have to see
The cause and effect
So many things still left to do
But we haven't made it yet
Every morning when I look in your eyes
I feel electrified by you
Oh yeah

Transformer man
Transformer man

Transformer man
Still in command
Your eyes are shining on a beam through the galaxy of
love
Transformer man
Unlock the secrets
Let us throw off the chains that keep you down

Transformer man
Transformer man

Sooner or later you'll have to see
The cause and effect
So many things still left to do
But we haven't made it yet
Every morning when I look in your eyes
I feel electrified by you

Oh yeah
