Here comes the night  
Here comes the anger  
Hidden so deep inside  
No one can see  
Behind these eyes  
There walks a stranger  
Wandering through the dark  
Following me  
Control the violent side

Electric light shining on your block  
Sayin' to everyone  
The power is on  
While your alarm  
Set up for safety  
Keeps out invaders  
Who come  
But still can't control  
Control the violent side

Got to fight to control the violent side  
I've got to fight to control it [Repeat]
