"War Of Man"

The little creatures run in from the cold
Back to the nest just like the days of old
There in the safety of a mother's arms
The warmth of ages, far away from harm again

Ears ringin' from the battle fire
The tired warrior aims a little higher
The black falcon or the little sparrow
The heating light of the flash of the barrel

No one wins
It's a war of man
No one wins
It's a war of man

Silver man flyin' in the wind
Down through the planets on the run again
No one knows where they're runnin' to
But every kind is comin' two by two

Out on the delta where the hoofbeats pound
The daddy's runnin' on the frozen ground
Can't smell the poison as it follows him
Can't see the gas and machines, it's a war of man

No one wins
It's a war of man
No one wins
It's a war of man

The windows open and the little girl dreams
The sky's her playground as she mounts her steed
Across the heavens to the other side
On wings of magic does the little girl ride

The baby creatures run in from the cold
Back to the nest just like the days of old
There in the safety of a mother's arms
The warmth of ages, far away from harm again

No one wins

It's a war of man
No one wins
It's a war of man
No one wins
