When we were living together  
(I thought that) I knew you would stay.  
Still when you left me  
I tried to pretend we could make it some way.

I don't care if all the mountains  
Turn to dust in the air.  
(What did you do to my life?)  
It isn't fair that I should  
Wake up at dawn  
And not find you there  
(What did you do to my life?)

It's hard enough losing  
Without the confusion of knowing I tried.  
But you've made your mind up  
That I'll be alone now there's nothing to hide.

I don't care if all the mountains  
Turn to dust in the air.  
(What did you do to my life?)  
It isn't fair that I should  
Wake up at dawn  
And not find you there  
(What did you do to my life?) [thrice til fade]
