Love is but a song we  
sing  
And fear's the way we  
die.  
You can make the  
mountains ring  
Or make the angels cry.

Though the bird is on  
the wing  
And you may not know  
why.  
C'mon people now  
Smile on your brother  
Ev'rybody get together  
Try to love one another  
right now  
Some may come and some  
may go  
And we shall surely  
pass.  
When the one that left  
us here  
Returns for us at last.

We are but a moment's  
sunlight  
Fading in the grass.  
C'mon people now  
Smile on your brother  
Ev'rybody get together  
Try to love one another  
right now  
If you hear the song we  
sing  
You will understand.  
You hold the key to  
love and fear  
In your trembling hand.

Just one key unlocks

them both  
It's there at your  
command  
C'mon people now  
Smile on your brother  
Ev'rybody get together  
Try to love one another  
right now
