Take me back in the arms I love  
Need me like you did before  
Touch me once again  
And remember when  
There was no one that you wanted more

Don't go you know you will break my heart  
He won't love you like I will  
I'm the one who'll stay  
When he walks away

And you know I'll be standing here still  
I'll be waiting for you  
Here inside my heart  
I'm the one who wants to love you more  
You will see I can give you  
Everything you need  
Let me be the one to love you more

See me as if you never knew  
Hold me so you can't let go  
Just believe in me I will make you see  
All the things that your heart needs to know  
I'll be waiting for you Here inside my heart  
I'm the one who wants to love you more  
You will see I can give you  
Everything you need  
Let me be the one to love you more

And some way all the love that we had can be saved  
Whatever it takes we'll find a way  
I'll be waiting for you Here inside my heart  
I'm the one who wants to love you more  
You will see I can give you  
Everything you need  
Let me be the one to love you more
