"Electric Man"

I am the Electric Man
I am the Electric Man
I am the Electric Man
Yes, I am

I am the Electric Man
I am the Electric Man
I am the Electric Man
Yes, I am

I've got the electric band
I've got everything but the electric van
Electric Man's always got a helping hand for the
motherland
But it makes it so hard to hold on to the metal can

"Come on Electric Man!"
I'm trying
"Come on Electric Man!"
I'm trying
"Come on Electric Man!"
I'm trying
"Yes, you can!"

I am the Electric Man
Fellows
"He is the Electric Man"
That's right
I am the Electric Man
Yes I am
"He is the Electric Man"
Yes I am

I am the Electric Man
One more time now
"He is the Electric Man"
Aha
I am the Electric Man
Yes I am

I am the Electric Man

I am the Electric Man
I am the Electric Man
Yes I am

I am the Electric Man
I am the Electric Man
I am the Electric Man
Yes I am
