There is nothing I've ever done  
I didn't learn to be ashamed of  
There is no hope or no dream  
I won't curse and demean  
If that's what it takes  
That's what I'll do  
If that's what it takes, I will  
I hope I never get my fill  
Of pushing this boulder up on this hill  
Getting to the top and taking a spill  
Every time's like the first time  
Every time is the same  
And maybe you don't believe me now  
But you will  
Until you hang upon such a cross  
You won't know a thing about laughter or loss  
From Galilee to Gethsemane to Golgotha  
Is a short walk, a short, short walk
