Perdoname... Ya

Perdono

For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship
I still believe in me and you, my friends are all

Perdono

For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship
Perdono

Look at the joy I'm feeling with my heartbeat
I'm trying to find a way to tell you that I'm crazy
If you don't understand what you mean to me I know I
hurt you so,
but honey I'm here to let you know,
I love you so to let you know,
that I don't want live every single day here alone
I wanna see you dancing, smiling next to me

Perdono

For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship
I still believe in me and you, my friends are all

Perdono

For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship

Perdono

m m m m m m m m oh oh oh oh oh oh oh oh oh oh oh oh oh
oh oh oh oh oh oh oh oh oh oh oh oh oh oh nooo...

I told you I was right, but I was wrong
and now I dedicate to you my song
cause if I live without you I'm not strong
I'm your hitting sun and you're my moon
select me shine just that you know
believe it's you who I adore
although your conditradictions and defects
I still want your sweet caresses

Perdono

For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship
I still believe in me and you, my friends are all

Perdono

For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship
Perdono

Here it's cold like at christmas time
Here it's darker without your smile
All my deeper dreams here are dying
Mars and venus - here- I'm just crying
Take my glow and give me your moonlight
What can I do? - I don't know
Please come back I swear that it will last
We'll be dancing flying space

Perdono

For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship
I still believe in me and you, my friends are all

Perdono

For everything I've done you have to know
I'm so sorry
Just give me another change,

I'm gonna give you a rosa
continue dreaming of our everlasting friendship
Perdono

Perdono
For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship
I still believe in me and you, my friends are all

Perdono
For everything I've done you have to know
I'm so sorry
Just give me another change,
I'm gonna give you a rosa
continue dreaming of our everlasting friendship
Perdono

Perdono... Sorry... Rosa... Friendship... Perdono... Sorry...
