VERSE 1

I can't sleep
coz I feel so empty
I feel like nothing without you
this feeling I can't explain
it must be love so tell me
do you feel the same?

BRIDGE

thinking, thinking
is all I do
all I can do until
your back with me

CHORUS

I can't stop thinking about you
everywhere I go
I wonder where you are
every time your gone
I wonder just how far
and your the only one
the only one I'm missing
all the time
when your not here with me
I can't feel anything
but emptiness; you see
when I'm on my own

VERSE 2

I want to give up
coz when your not with me
I feel so lonely
like I can't carry on
everybody notices
I'm not the same without you

BRIDGE

thinking, thinking
is all I do
all I can do until
your back with me

CHORUS

I can't stop thinking about you
everywhere I go
I wonder where you are
every time your gone
I wonder just how far
and your the only one
the only one I'm missing
all the time
when your not here with me
I can't feel anything
but emptiness; you see
when I'm on my own
