Running in a crowd
In a faceless town
I need to feel the touch of a friend.
On the countryside
I wander far and wide
The isolation gets me again

I don't know where to go
When I feel like crying
Oh my!
It's time to open myself
Do something new
I want to stop and grow up a bit

Then suddenly, my power and confidence start
swelling up
Magically erupt
And it's all because of the kindness that I feel
From people I don't even know

Then suddenly, my intuition and my wisdom grow
And then I know
That most of all I sense compassions wield
Into strangers where ever I go

Thank you for waking me up!
