Oh come, Oh come, Emma-a-aniel
And ransom captive I-i-israel
That mourns in lonely e-exile here
Until the Son of Go-o-od appear-ear-ear
Rejoice, rejoice! Emma-a-aniel
Shall come to thee, Oh I-i-israel

Oh come, Thou Rod of Je-e-esse
Free thine own from Satan's tyr-yr-yranny
From depths of hell Thy peo-eople save
And give them victory o-o-o'er the grave
Rejoice, rejoice! Emma-a-aniel
Shall come to thee, Oh I-i-israel

Oh come, Thou Dayspring, co-o-ome and cheer
Our spirits by Thine a-a-advent here
Disperse the gloomy clou-ouds of night
And death's dark shadows pu-u-ut to fli-i-ight
Rejoice, rejoice! Emma-a-aniel
Shall come to thee, Oh I-i-israel

Oh come, Thou Key of Da-a-avid
Come and open wide our hea-eavenly home
Make safe the way that lea-eads on high
And close the path to mi-i-isery
Rejoice, rejoice! Emma-a-aniel
Shall come to thee, Oh I-i-israel

Oh come, Oh come, Thou Lor-or-ord of Might
Who to Thy tribes, on Si-i-inai's height
In ancient times did gi-ive the law
In cloud, and majesty-y-y and awe
Rejoice, rejoice! Emma-a-aniel
Shall come to thee, Oh I-i-israaaaaeeel
