Tiziano:

Oh, oh

I want to give you all of me - the underneath

Want you to show me imperfection is actually love

I thought, cursed - I was cursed -

destined to be lonely

A circle in a world of squares

where nobody knows me

So with every footstep I must

follow the kissing moments

I thought were impossible

Refraini:

Breathe gentle, Be gentle

Don't leave me behind

cause love goes faster

Breathe gentle, Be gentle

Never let me go when love goes faster

I will be gentle

Kelly:

See, photographs have only two dimensions

But love defies all logic in a picture

Above all that is physical, I'm falling

Falling uncontrollably - it terrifies me

Tiziano:

So if my compass, it fails me

And I feel I'm walking blind

Don't say goodbye

Kelly:

Don't let me hide

Beide:

Oh please don't let me spiral

Tortured by you, oh, sweet torture!

I am a pirate - love my fortune

The walls have fallen now

The key is yours to turn - I'm breathing

Refrain:

Breathe gentle, Be gentle...

Every time I run somehow love is faster  
Without your loneliness is everlasting  
I still feel you  
But I hear you - loudly  
Screaming - "please wait for me"  
Cause I don't want to hurt you  
And I don't want to lose this love this time.

Kelly:  
Se cerco lo vedo  
l'amore va veloce e tu stai indietro

Tiziano:  
Se cerchi mi vedi Il bene piÃ¹ segreto  
sfugge all'uomo che non guarda avanti mai
