Oh, oh
I want to give you all of me - the underneath
Want you to show me imperfection is actually love
I thought, cursed - I was cursed -
Destined to be lonely
A circle in a world of squares
Where nobody knows me

So with every footstep I must
follow the kissing moments
I thought were impossible

Breathe gentle, Be gentle
Don't leave me behind
Cause love goes faster
Breathe gentle, Be gentle
Never let me go when love goes faster
I will be gentle

See, photographs have only two dimensions
But love defies all logic in a picture
Above all that is physical, I'm falling
Falling uncontrollably - it terrifies me

So if my compass, it fails me
And I feel I'm walking blind
Don't say goodbye
Don't let me hide
Oh please don't let me spiral
Tortured by you, oh, sweet torture!
I am a pirate - love my fortune
The walls have fallen now
The key is yours to turn - I'm breathing

Breathe gentle, Be gentle
Don't leave me behind
cause love goes faster
Breathe gentle, Be gentle
Never let me go when love goes faster
I will be gentle

Every time I run somehow love is faster

Without your loneliness is everlasting
I still feel you
But I hear you - loudly
Screaming - "please wait for me"
Cause I don't want to hurt you
And I don't want to loose this love this time.

Se cerco lo vedo
L'amore va veloce e tu stai indietro
Se cerchi mi vedi
Il bene più segreto sfugge all'uomo che non guarda
avanti mai.
Oh, oh....
