I want... more clear agreements and less sex
I want... you to call me more often
I want... you to tell me you believe in me just a bit
I'm not asking much but for sure ...
I want... to know why you decided to break off
abruptly... I'd like to hear from you sometimes...
I want... to know who you really are
Forgetting about the rest ...

Until the day before yesterday, when you used to leave
me alone
You'd have a present for me on coming back home
And I cheered up and you felt better
In that present I hid my need

And now I repent, I repent
A dream that's gonna be
A little nicer, nicer
For me
And if I recall your look
Of June '84
You'll always be my regret

I was... secretly clever
Behind... my drawings and your radio
Dreams... advertised on TV
While joy was full at work
I hope... forgetting the way I was
I freeze... leaving behind what's black
Good... for masking unhappiness
My love always incognito

Until the day before yesterday, when I was left alone
Dawn was an enemy
And my sofa a starship
I played volley with the whole world
And did it gently in order not to disturb you

And now I repent, I repent
A dream that's gonna be
A little nicer, nicer
For me

And if I recall your look
Of June '84
You'll always be my regret

And looks, wrong moves
Portraits, New Years
Go by...
Happy as no one else
In July '91
Thanks to you

And now I repent, I repent
A dream that's gonna be
A little nicer, nicer
For me
And if I recall your look
Of June '84
You'll always be my regret
