Perdono... eh...

Perdono-

For everythin I've done you have to know

I'm so sorry

Just give me another change,

I'm gonna give you a rosa -

continoue dreaming of our everlastin

frienship -

I still believe in me and you, my friends are all

Perdono

Look at the joy I'm feeling with my heartbeat

I'm trying to find a way to tell you that I'm crazy

If you don't understand what you mean to me I know I

hurt you so,

but honey I'm here to let you know,

I love you so to let you know,

that I don't want live every single day alone

I wanna see you dancing, smiling next to me

Perdono -

For everything I've done you have to know

I'm so sorry

Just give me antother change,

I'm gonna give you a rosa

continue dreaming of our everlasting

friendship

I still believe in me and you,

my friends are all

I told you I was right, but I was wrong

and now I dedicate to you my song

cause if I live without you I'm not strong

I'm your hitting sun and you're my moon

select me shine just that you know

believe it's you who I adore

although your conditradictions and defects

I still want your sweet caresses

Perdono -

For everything...

Here it's cold lika at christmastime
Here it's darker without your smile
All my deeper dreams here are dying
Mars and venus - here- I'm just crying
Take my glow and give me your moonlight
What I can I do - I don't know
Please come back I swear that it will last
We'll be dancing flying space

Perdono... mmmm.... Perdono.... perdono sorry rosa
friendship perdono sorry ...
