There you go again hiding out on me
Another missing person
Trying to pretend that our love could never be
But now I feel the tide is turning

Stop acting cool 'cause I can see right through you
The truth is in your eyes
So I'll be strong
And I'll keep on tryin'

Wherever you go tonight, no matter what you do
You know I won't give up on you
I don't care if it's wrong or right, I'd rather see it
through
You know I won't give up on you

I know it's gettin' hard, but I'll do the best I can
To make it happen
Don't keep me in the dark 'cause I know where I stand
I'm always right behind you

I used to cry but now I know much better
It's time you realize
That I'll be strong
And I'll keep on tryin'

Wherever you go tonight, no matter what you do
You know I won't give up on you
I don't care if I start a fight, I'm gonna see it through
You know I won't give up on you

The time was passin' and my friends were askin' me
Why you left, all I said was, "It had to be done"
What happened to the fun
You were the girl of my world, you were the one
To be with, now you say that you're the only
One to love me, now I'm lonely
It's true I'm blue with you and though we're through
Girl, I won't give up on you

Gotta keep on, gotta keep on
Gotta keep-keep-keep on tryin'

Gotta keep on, gotta keep on
Gotta keep-keep-keep on tryin'

Gotta keep on, gotta keep on
Gotta keep-keep-keep on tryin'
Gotta keep on, gotta keep on
Gotta keep-keep-keep on tryin'

I used to cry, but now I know much better
The truth is in your eyes
So I'll be strong
And I'll keep on tryin'

Wherever you go tonight, no matter what you do
You know I won't give up on you
I don't care if it's wrong or right, I'm gonna see it
through
You know I won't give up on you

Wherever you go tonight, no matter what you do
You know I won't give up on you
I don't care if I start a fight, I'm gonna see it through
You know I won't give up on you
