She's always on my mind  
And I think about her endlessly  
I wake up every night  
Dreaming she was next to me  
Well, I've heard it all before  
I know relationships don't last for you  
It's true, what's different now  
She's got a way, so tell us how  
Well, it's just the way she does her things  
It makes me wonder what to do, oh(wonder what to do)  
Oh, what a funny girl could tear a nice guy's heart in  
two, yeah...  
Is it love  
That is taking me higher  
Is it love  
That is turning my gray skies blue

two, yeah...  
Is it love that is taking me higher  
Is it love that is turning my gray skies blue  
Is it love that is your desire  
Look in my eyes and you'll see it's true  
Is it love  
Love, is it love (I can't believe you're just in love)  
I can't believe that you're in love  
Love, is it love  
I can't believe that you're in love  
1-2-3-4-5-6, do it

Hey, well, it's just a day I feel this way  
I want to be with you (Want to be with you), yeah  
Oh, what a funny girl could tear a nice guy's heart in  
two, yeah...  
Is it love that is taking me higher  
Is it love that i
