Pretend you're mean as a lion  
Wild like a tiger cat  
Been lovin' me so good last night  
I almost had a heart attack

chorus:

I got lucky last night  
I got lucky last night  
Played your little game and I got lucky last night

Pretend you're mean and evil  
Stubborn like a Georgia mule  
Been lovin' me so good last night  
You had me on private school  
(chorus)

Pretend you can be sweet  
Pretend you can be kind  
But when it come to lovin' girl  
You don't draw the line  
(chorus)

I got lucky last night  
I got lucky last night  
I got lucky last night  
I got lucky last night  
Played a little game and I got lucky last night

I got lucky last night  
I got lucky last night  
I got lucky last night  
I got lucky last night  
I got lucky last night, tryin' to get lucky tonight
