If you only knew
What I've been going through
Waiting and wanting you
Could this be love
How, tell me how will I know
Will my heart make me believe it so
Or can I trust the way I feel
If you could read my mind
You see how hard I've tried
Still I can't decide

CHORUS:

If you only knew
What I've been going through
Waiting and wanting you
Could this be love
Oh, tell me could this be love

Do you know if it's true
That real love lasts a lifetime
Does it shine like the stars up in the sky
And do you know if you can fall for
Just a moment
Is a moment for all time
Why, why am I so unsure
Is that love knocking at my door
Or the sound of my beating heart
If you could read my mind
You know I just can't hide
What I feel inside

Oh, tell me could this be love
