Do you know where you're going to?
Do you like the things
That life's been showing you?
Where are you going to?
Do you know?

Do you get what you're hoping for?

When you look behind you
There's no open door
What are you hoping for?
Do you know?

Once we were standing still
In time
Chasing the fantasies that filled our minds
You knew how I loved you
But my spirit was free
Laughing at the questions that you once asked of me

Do you know where you're going to?
Do you like the things
That life's been showing?
Where are you going to?
Do you know?

Now looking back at all we've planned
We've let so many dreams just slip through our hands
Why must we wait so long
Before we see
How sad the answers to those questions can be

Do you know where you're going to?
Do you like the things
That life's been showing you?
Where are you going to?
Do you know?

Do you get what you're hoping for?
When you look behind you
There's no open door

What are you hoping for? Do you know? Do you know?
