Goodbye life, the twilight is coming
to take me where there's no pain and no hate
goodbye dear, no hope for you
don't pray your God when I've gone to that place
Goodbye world, I'm leaving you
I'm sick and tired of being what I'm told
I'm going to leave you alone
I want to know what there's behind the wall
instead of killing you all
Who the hell gives you the right
to tell me what to do with my life?
I am mine and I can assure you
my life's the one thing I can call my own
Fuck you men who think you're living
letting your emptiness grab your brains
letting your heart be a muscle
letting your life end without a limelight
you'll never be ready to fight
THE TWILIGHT IS COMING TO BRING ME DOWN
IT COMES FROM THE PLACE WHERE RAINBOWS END
IT COMES TO KILL AND DESTROY US, MY FRIENDS
IT COMES TO GIVE US THE ETERNAL DEATH
DARKNESS AND FEAR WILL BE YOUR FUTURE
AND NO ONE WILL STAY ALIVE
EXCEPT FOR ME, THE TWILIGHT IS COMING
So goodbye, now I'm going
we'll never meet anymore yes it's true
there's no chance, no chance for you
everyone's lost, there's just on who'll be saved
And you, girls, no way to cry
you'll get the things you deserve, don't ask why
see you at Heaven or Hell or what's there
one day you'll know but it will be too late
all you deserve is just hate
THE TWILIGHT IS COMING TO TAKE ME BACK
IT'S TAKING ME BACK TO WHERE I ONCE BELONGED
IT COMES TO SAVE LIFE FROM YOU AND YOUR VOID
IT COMES TO OPEN YOUR POOR LITTLE BRAINS
IT COMES TO SHOW YOU HOW LONG IT WILL LAST
ALL YOU PEOPLE, GOODBYE
Now I'm going, we'll never meet each other anymore

The twilight is coming
