[Lord Infamous]  
When you find out your bitch missin  
She ain't missin, she with pimpin  
So don't be lookin for the hoe on no milk carton  
or no postage stamp, she with me muh'fucker  
Y'all got it misunderstood out here~!  
Sheeit, God damnit  
She got the right to fuck with a sucker  
But she CHOOSE to fuck with  
a nigga that's overqualified  
over you motherfuckin grand putas out here  
When you see the bitch in traffic God damn it  
She up on a new motherfuckin mandate  
Yeah I ride around like it's party time  
all the motherfuckin time  
You just mad God damnit, cause I'm famous  
and I got my middle fanger up your baby momma anus  
Nigga!
