[T-Rock] Black Reign, nigga Y'all know who it is, nigga
Black Reign in this motherfucker (A-Town) Lord
Infamous in this muh'fucker (Memphis, Ten) Rock Solid
Music is definitely in this bitch, y'all know who it is,
nigga (Uh hun) This ya boy, T-Rock, nigga (Southside)
We came to squash all that bullshit Y'all know how real
it is (Real niggas get to the money, we breakin' bitches,
nigga) Money over bitches (This some pimp shit for you
young nigga's minds) We ballin' and breakin' hoes
(Look) Tell 'em, nigga Chorus: T-Rock We ballin' and
breakin' hoes, achievin' it, gettin' dough Choppin' on
24"s, I'm pimpin' out of control Gettin' paper in rolls
(Rolls) Keep a hoe out her clothes (Clothes) Bitches in
every city, got bitches in every city We ballin' and
breakin' hoes, achievin' it, gettin' dough Choppin' on
24"s, I'm pimpin' out of control Gettin' paper in rolls
(Rolls) Keep a hoe out her clothes (Clothes) Bitches in
every city, got bitches in every city We ballin' and
breakin' hoes [Verse 1: Lord Infamous] These narcotics
making the Infamous feel so erotic I'm a 'bout to throw
a motherfuckin' pussy party Come from up so quickly,
bustin' the guts of freaky sluts Slide ya tounge Down
the pole Then ya lick up on the nuts Must be flashy
Classy, but must be super nasty Hit the dope, and then
I hit her doggie-style like Lassie And every time we
have a little clubhouse click Hoe down Pass The Pussy
on the left hand side And lick me now Four O's of tusk
give dick the super powers Bitch about to faint cause I
been fuckin' her for hours And when I'm on this trip, the
dick Won't go limp I'm a try my very best to break your
motherfuckin' hip On the X And the 'yac Some of this
Some of that Tryin' to make you like Quasimoto, hump
In ya back Turn that bitch into your prey, 'fore you make
that hoe your slave Have that bitch rubbin' her pussy
down with fuckin' Ben Gay Repeat Chorus [Verse 2: T-
Rock] We pimpin', peep the prognosis Game is
fearless, ferocious Pimpin' hard and atrocious, my
visions remain in focus Picture me on your T.V. Makin'
pimpin' look easy Ain't no freebies My bitches work
nightly, monthly and weekly, yo homie I keep it winnin',
the product I push is women Dolemite ain't got shit on

the way I put down to pimpin' I put your bitch out of
business Work with proper precision Tell your mama
"Get with this, or witness the game get vicious" I came
to put fear in stitches Plus a dick in your misses Don't
be surprised If your bride is one of my bottom bitches I
politic With nothin' more than dimes and what Hoes'll
practice proper groomin' Sellin' ass on websites
Sendin' me money through Western Union Getting
money from a check in this business, they put 'em on
internet, peep out their intellect Getting these bitches
for once in their pocket, I'm all about process, I'm
swoopin' in silhouette Money got my pockets fatter than
elephants, bitch, if it ain't about chips, it's irrelevant
Half the battle is image, I glisten my diamonds quicker
than (???), I'm a bankin' it Repeat Chorus [Verse 3: II
Tone] It all started at the age of twelve, servin' fiends
and raisin' hell These bitches say they love a nigga,
"Can you make my pockets swell?" Your conversation,
time wastin', money is my motivation Come and join
the team Sellin' pussy is a occupation Niggas out here
grillin' lanes Savin' bitches, break the change Your wife
Is a hoe nigga, go and let her do her thang Cross her
teeth Dot her eye Who gon' be her aliby Hand that hoe
a blunts If a bitch, ever try to lie/lye Hard for a pimp No,
it's harder for a mack Pimpin' hoes, sellin' weed, sellin'
blow, sellin' crack Since the birth of me Pimpin' in my
pedigree Got my game Got my swag, got it all from
Barber Lee Got it down Bitch Wipe the table With a big
ass And this slut Come up short fo sho She gon' beat
her ass She don't turn heads, motherfucker, cause she
break necks All about the cheese, peep game, we don't
take checks Repeat Chorus
