But you are the rose
In The middle of all depravity

I love you
Endlessly until the end
And there's no final end

You are, You're the smile
In the middle of all misery
Oh, you are
One of a kind

[Chorus:]
Fly higher beautiful(Don't burn your wings)
Don't get stuck into the flow (I'll go with you)
Much higher beautiful (I'm there for you)
I'll cover you, I'll cover you (I'll die for you)

With my aching soul I will
Drive away all the shadows
Which are dancing in your room

I'm crying your tears, and you cry mine
It's more stronger than poisoned wine

[Chorus:]
Fly higher beautiful(Don't burn your wings)
Don't get stuck into the flow (I'll go with you)
Much higher beautiful (I'm there for you)
I'll cover you, I'll cover you (I'll die for you)
