

## To Die For "Damned Rapture"

As the earthworm burrows into the ground  
I will burrow into your heart  
Like a cancer I'm there  
It may hurt you, yeah, I know, I know, I know,  
But that's what sickly deep love's doing  
I'll die in peace with you  
In love, in freedom

You may be just someone for the rest of the world

For my you are the whole world  
Blessed be my damned rapture  
It's all about love  
It's all about...  
It's all about you  
I'll die in peace with you  
In love, in freedom

I'm a knife in your heart!
