Oh, I just died in your arms tonight
It must've been something you said,
I just died in your arms tonight

I keep looking for something I can't get
Broken hearts lie all around me,
and I don't see an easy way to get out of this
Her diary, it sits by the bedside table
The curtains are closed, the cat's in the cradle
Who would've thought that a boy like me could come to
this.

Chorus:

Oh, I just died in your arms tonight
It must've been something you said,
I just died in your arms tonight
Oh, I just died in your arms tonight
It must've been some kind of kiss
I should've walked away, I should've walked away.

Is there any just cause for feeling like this?
On the surface I'm a name on a list
I try to be discreet, but then blow it again.
I've lost and found, it's my final mistake.
She's loving by proxy, no give and all take
'Cause I've been thrilled to fantasy one too many times.

Oh, I just died in your arms tonight
It must've been something you said
I just died in your arms tonight
Oh, I just died in your arms tonight
It must've been some kind of kiss
I should've walked away, I should've walked away

It was a long hot night
She made it easy, she made it feel right
But now it's over, the moment is gone
I followed my hands, not my head,
I know I was wrong.

Chorus
