

To Die For "Endlessly"

Visit "[Endlessly](#)" on MotoLyrics.com

Life is like a poison in me
Destroyed my innocence and dreams
I've been told life is the gift
Oh, that gift makes me sick!

Smiling faces, those happy ones
I feel nothing, I'm totally numb
But in the silence of the night-time with you
I can feel momentary warmth

You are too much to lose
Endlessly I love you
My blood runs still just because of you
You are too much to lose
Endlessly I need you
You're my shine, you're my rain

When comes the day of my destiny
Without you I won't leave
You're the sun in the middle of the dark
You're the rain in my withered heart
