

To Die For "Folie A Deux"

Visit "[Folie A Deux](#)" on MotoLyrics.com

In our world no one else
Me and you
Folie Ãi deux
While you're sleeping I' awake
I'm driving all shadows away
And when I bleed you're bleeding my blood

Dead line stone are those bitter hearts
Who haltingly live in their golden houses of cards

But all eternity belongs to you and me
You are all I have... you are all I have
All I need
I'm crying your tears and you cry mine
If anyone comes between us
We' ll make them all die
The world around us
