

## To Die For "Jaded"

I never meant to hurt you so  
But here I am again  
Embracing someone else  
It never seems to change  
I know my heart belongs to you  
But it yearns for someone else  
I cannot help myself  
I've begged you to forgive me  
A thousand times before  
This time it's impossible  
Don't want me anymore  
And you took your things and at the door  
You waved a quick goodbye  
There is nothing left to say  
Just bitter tears to cry  
Living a lie ain't easy  
Truth comes out and kills our jaded love  
I want you to forgive me  
Find a way to save this jaded love
