No turning back
I will fall
No-one can catch me
I'll break my own bones
My soul is ruined can't you see
I'm dead like a stone
Living dead as they say
Show me how to live
No... still you can't save me
(Even you can't stop me)

Watch me now
And how I'm sliding down
Into the stream of eternity
Someday
You will follow
You'll fall like I do
Like I do now!

Can't find a thing that I could respect inside me
My innocence was too fragile
It withered away
I don't want to paint life in rosy colours
No turning back
How sad... it is not what I wanted
