

To Die For "This World Is Made For Me"

Can't lay my heart to rest
I'm filthy and unkind
I'm heartless
A disbeliever and unclean
Nothing is what it seems
I'm a liar

I'm here in the right place
This world belongs...

...for the restless
For the anxious and for the hopeless
For the heartless
...this world is made for me...

Quiet conscience sleeps through thunder so they say
But I'm alright
I'll be punished later so they say but why should I care
I'm a winner right here
