"Anti Pop Song"

I'm sick of always hearing all those sad songs on the
radio
All day it is there to remind an oversensitive guy
That he's lost and alone yea

I hate our favorite resturant our favorite movie our
favorite show
We would stay up all through the night
We would laugh and get high and never answer the
phone
I can't forgive can't forget can't give in what went
wrong cas you said This was right
You fucked up my life

I'm sick of always hearing sappy love songs on the
radio
This place it's fucking cursed and it's plagued and I
could never escape When my heart it explodes
I can't forgive can't forget can't give in what went
wrong cas you said This was right
You fucked up my life

I'm kicking out feircley at the world around me
What went wrong
I'm kicking out feircley at the world around me
What went wrong
I'm kicking out feircley at the world around me
What went wrong
I'm kicking out feircley at the world around me what
Went wrong
I'm kicking
