Please, mom  
You ground me all the time  
I know that I was right  
All along

And I'm hoping  
Remember I'm a kid  
I know not what I did  
Was having fun

You couldn't wait for something new  
And yesterday I thought of you  
Left me to think as if I couldn't walk away  
It's too late, I fell through

Nothing to loose  
A boy who went out when he finished all his chores  
Nothing to do  
They can't trust me because I blew it once before

Shit, dad  
Please don't kick my ass  
I know I've seen you trashed  
At least one time

Can I blame it  
On one of my dumb friends  
It's been awhile  
Since I have used that line

You couldnt wait couldn't wait for something new  
And yesterday I thought of you  
It left me to think as if I couldn't walk away  
It's too late, I fell through

Nothing to lose  
A boy who went out when he finished all his chores  
Nothing to do  
They can't trust me because I blew it once before

Nothing to lose

A boy who went out when he finished all his chores  
Nothing to do  
They can't trust me because I blew it once before
