### "Don't Leave Me"

Don't leave me all alone  
Just drop me off at home  
I'll be fine, it's not the first  
Just like last time, but a little worse

And she said that I'm not the  
One that she thinks about and  
She said it stopped being fun,  
I just bring her down  
I said "don't let your future be  
Destroyed by my past"  
She said "don't let my door hit your ass"

One more chance, I'll try this time  
I'll give you yours, I won't take mine  
I'll listen up, pretend to care  
Go on ahead, I'll meet you there

And she said that I'm not the  
One that she thinks about and  
She said it stopped being fun,  
I just bring her down  
I said "don't let your  
Future be destroyed by my past"  
She said "don't let my door hit your ass"

Let's try this one more time with feeling  
One more time with feeling  
One more time with feeling  
One more time with feeling

She said that I'm not the  
One that she thinks about and  
She said it stopped being fun,  
I just bring her down  
I said "don't let your  
Future be destroyed by my past"  
She said "don't let my door hit your ass"

Don't leave me all alone  
Just drop me off at home

And I'll be fine
