im a genie in a bottle baby  
come come come on and let me out  
im a genie in a bottle baby  
come come come on and let me out  
13 miles down the road lives a young boy  
hes got jet black hair and blue green eyes and hes  
blind  
and every now and then he and i  
would sit together on the porch  
and i take off his pants and fuck him from behind  
and i love for him for his white asshole  
and i love his rinkled scrotum too  
so if you see us passing by on some dreary rainy day  
take a look at the young boy and his naked....asshole
