Why can't you see you torture me you're already  
thinking about someone else when he comes home  
you'll be in your arms and i'll be gone but i know my  
day will come i know someday i'll be the only one so  
now you wait for his spark you know it'll turn you on  
he's gonna make you feel the way you want to feel  
when he starts to lie when he makes you cry you know  
i'll be there my day will come i know someday i'll be the  
only one call me selfish call me what you like i think it's  
right to want someone for all your own and not to share  
her love and i'll have my way and won't have to say  
anyway i've got you you didn't stand a chance you want  
perfection i see your self destruction you don't know  
what you want it's gonna take you years to find out i'm  
not giving up and when you've had enough you'll take  
your bruised little head and you'll come running back  
to me you know that i'm gonna be the only one.
