13 miles down the road  
Lives a young boy  
He's got jet-black hair  
And blue-green eyes  
And he's mine

And every now and then  
He and I will sit together on the porch  
And I take off his pants  
And I fuck him from behind

And I love him for his heart and soul  
And I love his wrinkled scrotum too  
So if you see us passing by  
On some dreary rainy day  
Take a look at the young boy  
And his naked...  
Asshole

Tom:"You guys like that song? you no u do, u gay ass fuckers"
