{Instrumental}

Come here,
Please hold my hand for now.
Help me,
I'm scared please show me how to fight this.
God has a master plan
And I guess
I am in his demand.

Please save me
This time I cannot run
And I'll see you when this is done
And now I have come to realize
That you are the one who's left behind

Please stay,
Until I'm gone,
I'm here hold on,
To me I'm right here...
Waiting.

I see, (I see)
A light it feels good
And I'll come (And I'll come)
Back soon just like you would
It's useless, (It's useless)
My name has made the list
And I wish, (And I wish)
I gave you one last kiss

Please stay,
Until I'm gone,
I'm here hold on,
To me I'm right here...
Waiting.

And take,
My one last breath,
And don't forget,
That I will be right here,

Waiting.

{Bass Solo Followed by Instrumental)

Please stay,
Until I'm gone,
I'm here hold on,
To me I'm right here...
Waiting.

And take,
My one last breath,
And don't forget,
That I will be right here,
Waiting.
