Oh no it's happened again,
She's cool, she's hot, she's my friend
I tried for hours if so,
You leave me no where to go

She's unstoppable, unpredictable
I'm so jaded, calculated, wrong!

Please take me home, too late, it's gone
I bet you're sad, this is the best time we ever had

I hope, hope that it lasts,
Forgive, forget the past
Be strong when things fall apart,
Honest this breaks my heart

She's unstoppable, unpredictable
I'm so jaded, calculated, wrong!

Please take me home, too late, it's gone
I bet you're sad, this is the best time we ever had
Please take me home, too late, it's gone
I bet you're sad, this is the best time we ever had

Why did we have to go date?
It's too easy to complicate
Be strong when things fall apart
(Be strong when things fall apart)
Honest this breaks my heart
(It's so hard)

Let's go!

Please take me home, too late, it's gone
I bet you're sad, this is the best time we ever had
Please take me home, too late, it's gone
I bet you're sad, this is the best time we ever had
